Personalized Medicine and the Future of Health Care

## **Guy Mills**

### **Chief Executive Officer of Manulife (International) Limited**

Guy Mills is Chief Executive Officer of Manulife (International) Limited, overseeing all Manulife's businesses and distribution in Hong Kong and Macau.

Mr. Mills also serves as Deputy Chairman of the Life Insurance Council of The Hong Kong Federation of Insurers and a Member of the General Committee of the Employers' Federation of Hong Kong.

Having joined Manulife Financial in 1995, Mr. Mills has more than two decades of practical experience with the company. He has held progressive technology and operations management roles within Manulife's Canadian, Asian and Corporate divisions, including a two-year assignment in Tokyo, Japan, during the first half of his career with the firm.

In 2005, Mr. Mills relocated to the Philippines to head up Manulife's Business Processing Services, the company's global-resourcing capabilities facility, as its first Chief Executive Officer. He was then appointed Chief Operating Officer of Manulife's Asia Division, responsible for operations, customer service, brand development and communications across the region, before moving to Mainland China as CEO of Manulife-Sinochem, the company's life-insurance joint venture headquartered in Shanghai.

He holds an MBA degree from both University of Washington in St. Louis, US, and Fudan University in Shanghai, China.
